Work Experience

Founder & Product Designer

AM Digital Designs | May 2023 - Present

- **Spearheaded end-to-end UX/UI design** for Spanish-speaking clients in the community, creating culturally sensitive user experiences.
- **Designed & Developed AMD Global Insights**, a cross-cultural UX research platform serving six languages, translating research needs into a scalable multilingual UI system.
- **Established design systems and UX guidelines from the ground up**, bringing structure and consistency to a solo-founder studio operation.
- **Engineered a bilingual internationalization layer**, and built **MySQL database** schema with 6+ tables for account security.

Graphic Design Intern

The People's Forum - New York, NY | May 2022 - Jul 2022

- **Delivered an award-winning visual research project**, creating immersive from concept to execution.
- **Partnered closely with cross-functional teams** to translate ideas into tangible, experiences, ensuring all designs were highly accessible to diverse, community-based audiences.

Graphic Illustrator Volunteer

WordUp Bookstore - New York, NY | May 2022 - Jul 2022

- **Designed engaging promotional visuals** that successfully drove community engagement and increased event attendance.

Marketing Manager

Cardenes Market | Jan 2015 - Mar 2020

- **Led the redesign of the core brand identity**, generating product mockups and digital asset.
- **Directed daily POS operations and marketing strategy**, ensuring customer service and smooth business workflows.
- **Built and led a team**, overseeing hiring, training, and performance to support consistent store operations.
